NEW IN THIS ISSUE

A revolutionary new sake “KOBE” is born. With premium Ginjo aroma, it can be enjoyed casually as cold sake.

Kobe is light as wine, with an alcohol percentage of 11.5%. If you believe sake tastes harsh, KOBE SAKE is surprisingly smooth and crisp. This sake can also be enjoyed in a variety of cocktails because the brewer’s skill results in a fine balance of distinctiveness and taste. Sake made in Kobe is believed to be one of the best, due to the location’s excellent local weather and quality of the rice, water, and skilled brewers.

DOMAINE LAURIER®

The Secret’s Out!

Veuve Devienne

Winegrowing in France is most often a family operation in vineyards and winery, frequently continuing for several generations. The history of Veuve Devienne has its source in Alsace, one of the most famous French wine regions. Veuve Devienne (“the Widow Devienne”) gave her family name to a traditional sparkling wine – a classic Brut cuvée – after many years of growing white grapes for the production of premium table wines. Although much of the family history has been lost over time, The brand remained true to its origins: Veuve Devienne’s Oenologists continue to create wines of character with a selection of Mediterranean and Loire Valley grape varieties, among others, slow secondary fermentation and bottling in a traditional style with natural cork.

Meet Blanc de Bleu’s newest varietal! Made by using the natural fermentation process called the Charmat method, this cuvée exudes aromas of fresh berries & tropical fruit with a hint of cotton candy. This beautiful blue SEC is a balanced off-dry cuvée with a pleasant, crisp finish.
