MONT·PELLIER

THE ART OF THE VINE

BY WINEMAKER

Emily DuBoce

Over 30 years ago, Mont·Pellier began as a joint venture between two wine industry families rooted in the belief that by embracing the balanced harmony of food, art, and wine, anyone could truly enjoy the uniqueness of the California lifestyle. Mont·Pellier is a reflection of this ideology. True to varietal character and expertly crafted, the wines have stood the test of time and continue to exceed expectations.

don't drink
like a square

At PINO Cellars we're tired of the wine scene being a total drag. We make fresh wines with bright fruit flavors bringing the disco straight to your door. Find your vibe with our fruity Pinot Grigio, get a little groovy with our electric Rosé, or polish up and try our jammin' Pinot Noir.

With flavors like these, why drink like a square if you don't have to?

lolita

traditional Portuguese wine
seen through a new lens

Lolita wines were founded with the spirit of rebellion and a touch of tradition. We combine four traditional grapes from Portugal to make one unconventional blend that surprises all who taste it.

Dark, wild berries burst alongside blackened oak and pepper for an intense wine that is perfectly balanced. Stand out from the crowd with a wine that is as unique as you are!

K I G E N

KIGEN translates to an origin, a beginning, or an era. Founded in Nagano, our brew masters are inspired by discipline, beauty, and pursuit of perfection showcased in traditions that have withstood the test of time. These ideals are reflected in the root of KIGEN's craftsmanship — never settle for less.

Ideal for beginner drinkers and occasional drinkers, this saké is bright with fresh aromas of asian pear, pineapple, cracked pepper, and ginger, with a light body and a tingling finish. KIGEN is a zesty Futsu-Shu saké for casual sipping or blending into a craft cocktail.

LA CATRINA WINE LISTINGS

La Catrina's Managing Director of Agriculture Operations, Saul Arriola, loves harvesting the land where he was raised. Saul's family immigrated from Mexico to the San Joaquin Valley where they have long worked in agriculture. This is where he learned the intricacies of the land & dedication it takes to be successful. With a watchful eye & innovative techniques, Saul creates the framework for the best growing conditions & allows Mother Nature to do the rest for optimal fruit. His commitment to organic farming makes certain these vineyards will pass on to generations to come & the tradition of La Catrina to endure.

Born in Manteca, CA & raised in the nearby town of Stevinson, La Catrina's winemaker, Andrea Zermeno, has an unwavering appreciation of the grapes she loves to craft. Andrea's parents immigrated from Jalisco, Mexico when they were 16 years old, & her father began his 15-year career in the vineyards. His work gave Andrea her first introduction to the world of wine, & from then on, she was hooked. Now she takes pride in teaching her family the winemaking process, representing her Latino community, and making the flavorful wines of La Catrina.
